

Tanja Liedtke Studio
Venue Specifications
May 2026

Tanja Liedtke Studio is 13m x 7.2mt with some theatre lighting and a rehearsal audio system with a 48-person seating bank. The venue height is 3.2m to the underside of bars.

The venue is upstairs at The Odeon Theatre, which may pose issues for audiences/ artists with access needs.

It is an ideal rehearsal or creative development space. It can also work as a performance space for small scale works.
